Everyone interested in photography should not miss this information packed day with 12 different workshops. Two not to be missed are **Colors that Pop,** presented by **Carol Bass** from Casco, ME a well-known artist and **3D Presentation** by Roger Richmond.

Bring your camera. You can enjoy a two-hour morning photography walk shooting in beautiful **Vaughan Woods** followed by showing your photos in a slide show at the end of the day.

Bring your best 8x10 photo print within an 11x14 matt (no loose prints) for **"The Peoples Choice Award".** This is a great time to show us your style. Remember your photos will be shown in a school so please respect the school setting. Prizes will be given.

Come and enjoy all our interesting speakers. Go to our CACC Web Site for the schedule times, class descriptions and directions at: **http://www.capitalareacameraclub.org/workshops.html**

Cut here and return the registration form by 5-24-08 along with your check to address shown. See you May 31
